ALBERTA SOFTBALL UMPIRES ASSOCIATION / APRIL 2017 / VOLUME 1

## The Beginning of the Season is Around the Corner - Are you Ready?

It's Clinic season, do you know when your local clinic is. Have you started working out, and getting your legs ready to call that first game.

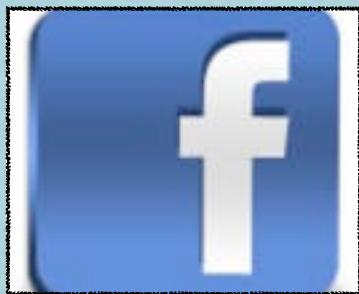

It's now April, clinics have already started, and the first pitch of the season for most of the province will be flying into the catcher's glove in May.

In this issue we get reports on the Level 4 Clinic, the Alberta Umpire's Academy, the Mechanic's School, 2017 Championship Selections, Clinic Dates

### Local Clinics are This Month

Be the best umpire you can be. There have been many opportunities this season to start the season on the right foot, and get some training in, and get ready for the season. One more chance is coming with your local clinic. Get involved and take the next step in being the best umpire you can be.

LOOK FOR UPDATES ON THE WEBSITE AND THE FACEBOOK PAGE Website address is [www.asua.ca](http://www.asua.ca) and on facebook search for Alberta Softball Umpires Association for more updates.

ALWAYS LOOKING FOR NEW PICTURES As the season gets into swing we will be needing new photos of our fellow umpires on and off the diamond. send them to [spectros@mac.com](mailto:spectros@mac.com)

GET YOUR APPLICATIONS IN If you ever wanted to be a UIC/DUIC at a Provincial Evaluator, or Western, your executive should have the application form to fill out contact them and send it in for consideration.

## Level 4 Clinic Report

by: **Tonya Ribalkin Zanon**

...

On Family Day Weekend this year, twelve umpires from Alberta and one from Saskatchewan attended the Level IV theory course offered in Airdrie. Participants were actively engaged and appreciated the course content that focused on game management and giving back to the program.

Head Instructor was Aaron Poulin from Hope, BC with Tonya Ribalkin Zanon from Calgary as his Co-Instructor. Rounding out the presenters was "Slo Pitch Expert" Jason Clarke from Turner Valley Alberta.

Lots of great discussion ensued throughout the weekend, along with a few stories and many laughs. In true Blue Family Style, the group enjoyed dinner at a

local pub Saturday evening and new friendships were made.

Huge congratulations to the following Alberta Blue who wrote and passed the online test after the clinic and are now Level IV Theory Certified:

Andrew Palmer  
Chris Hennig  
Kristen Hutchison  
Bryan Evans  
Shane Skora  
Bill Kelland  
Eugene Korosi  
Wayne Miller - SK  
Shawn Miller  
Kyle Muise  
Charles Baker  
John Bauer

And, without the support of the Alberta Softball Umpires Association and namely Daryl Helmer who organized the clinic and supplied space at his company to hold it, this clinic could not happen. Thank you, Daryl!

All umpires are now eligible to attend a Canadian Championship to earn their full Level IV and we wish them luck as their careers ensue.

## LEVEL IV THEORY: INSTRUCTORS

From Left to Right:

Jason Clarke - Turner Valley

Tonya Ribalkin Zanon - Calgary

Aaron Poulin - Hope, BC

## Alberta Umpire Academy Report

by Terry Richter

...

The 2017 season seen the inaugural beginnings of the Alberta Umpire Academy.

With a focus on improving skills of our umpires, we started with game management, game control, base mechanics, 2 and 3 umpire system, and plate mechanics. The academy was for any umpire that wanted to improve or sharpen their skills. With the first session on Feb. 26, 2017, we had 14 officials and ran people thru rule changes, angles and distances, fitness, obstruction, and interference.

As we moved into March we had a few challenges with weather and the attendance did slip a bit. We were still able to attract on an average of 12 people for each session. The sessions were held in Sherwood Park on Sunday mornings at a facility called Massive Sports. With the focus on

## AROUND THE ACADEMY

Attendees and Instructors of the first session of the Academy

*Giving instructions on the importance of fitness, and how that can impact your game, and season both on and off the diamond.*

improving the umpires we focused our efforts on base mechanics and plate mechanics. A big thanks goes out to Kelly Porter, and Mike Semchuk for their assistance as instructors. Thanks to all that came out and supported the Academy. We look forward to expanding this to the rest of the province for the 2018 season, and

hope you will be able to attend. Looking forward to the 2017 season and having the academy assist you in your efforts.

## Elite Players Deserve Elite Officials

Setting up a drill for what to look for on potential Obstruction/Interference possibilities

One of the plays we talked about where the umpires weren't paying attention to runners coming across the plate, and how important it is to always have the 4 elements in front of you

## Mechanics School

by Terry Richter

ASUA Umpire in Chief

...

On March 25/26 the ASUA held a Softball Canada Mechanics Clinic in Red Deer. The topics in the clinic included Base Mechanics and Plate Mechanics for both Slo-pitch and Fast Pitch. In these sessions we had the participants going thru mask & indicator control, stance, calling strikes, calling balls, and establishing a strike zone. In addition they were involved in drills going through the 3 and 4 umpire system.

We had 38 participants from all umpire branches ranging from Level II to Level IV. It truly was an amazing thing to see all of the participants get involved and take in what the instructors were teaching. Along with the 38 participants we had 14 instructors, which we were able to evaluate 8 of them. Would like to thank the instructors that made themselves available for this

## TAKING YOUR GAME TO THE NEXT LEVEL

Attendees of the first Softball Canada Mechanics School run in Alberta since 2006

*There were upwards of 40 umpires of all ages that had an intensive weekend looking to bring their game to the next level in Red Deer, Alberta*

event and putting up with the last minute changes. Thanks goes out to Brad Lyon, Chris Harper, Kris Hartley, Pat Babott, Jason Clark, Geoff Larson, Les Yuen, Mike Semchuk, Adrian Gaudet, Trevor Stoyko, Ken Jones, Jim Portman, and Daryl Helmer.

As this was the first time we have held this since 2006, we felt that it was a success and will be looking at hosting it every 2 years. Again thanks to all that came out and supported the growth and education of the Alberta Umpire Program.

The instructors of the Mechanics School, that were passing on their knowledge and love of the game.

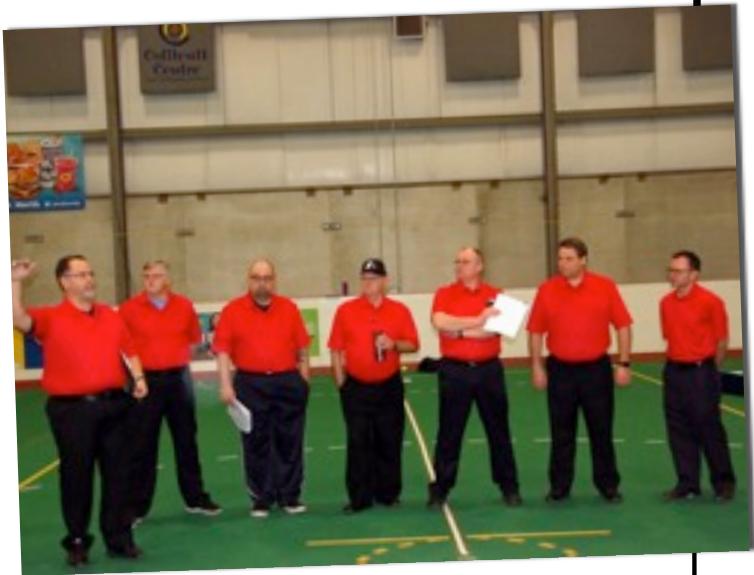

A high paced drill to simulate good mechanics, and tracking the ball for fair/foul call on first touch

Working on GPA (Good Pelvic Alignment), for plate stance. Also being able to tell which eye dominance you have and how it can affect your plate stance and how well you see the ball

## ABOUT ME

### Zone Clinics in April

### Photos from Zone 4

### Clinic which already happened Apr 1st-2nd

## Clinic Dates from Around the Province

Below is the List of the Umpire Clinics happening this month. It is important to try your best to make it to a clinic this year, and if you can't make your local one for whatever reason here are the rest of them from around the province.

Local clinics are being taught and organized by instructors that have attended the Softball Canada Instructor/Evaluator Clinic.

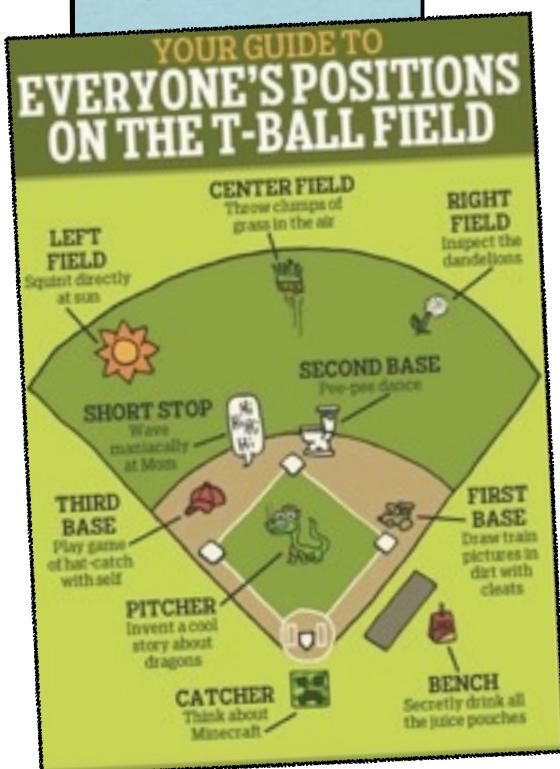

These clinics will be teaching the most upto date mechanics, and all the new rules that have come out in this Rule Change Year.

Red Deer - Zone 4 had their clinic this last weekend on April 1st and 2nd, and rumor has it that they had over 60 umpires both new 1st year umpires, and ones that have significantly more years under their belts.

Great job Zone 4, way to set the tone for what is undoubtedly going to be a record breaking year.

See on the next page a list of the remaining clinics from around the province and do your best to make your way to one of these clinics.

If you can't make your local one, make sure to let your president know and that you will be attending a different one, and give their local contact a heads up so they know to expect you.

# Zone Clinic Listings

BRANCH	DATE & TIMES	LOCATION	HOST CONTACT
Zone 3 Adult	April 8-9 (8:00-4:00 both days)	Nexen Building 801-7 Ave. SW, Calgary	Daryl Helmer 403-804-4212
